GLENDON Makeline - PLASTIC CATCH TRAYS

As a company specialised in Refrigeration Equipment, we always listen to our Customers tips and suggestions carefully to make everyone happy with their purchase and always improve our service. There is nothing better than meeting our Customers' expectations and together we can make it happen.

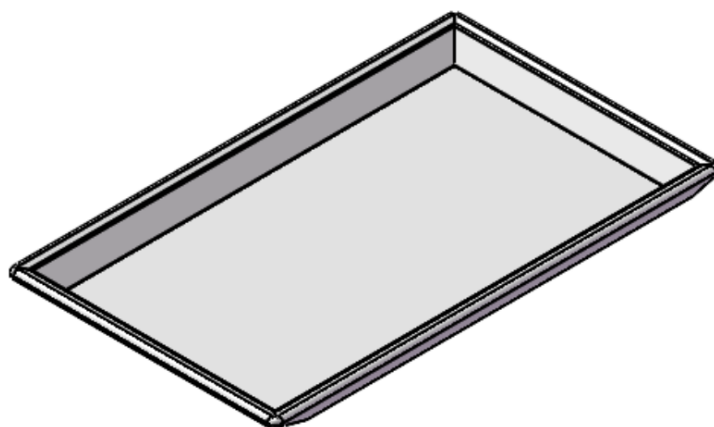

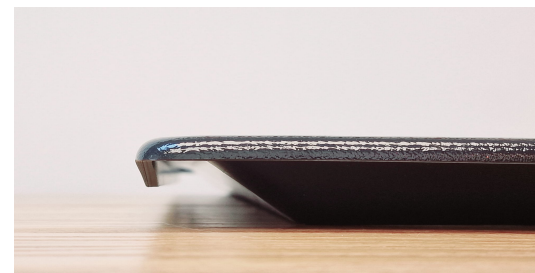

In addition to our GP Production Makelines and Stainless Steel Equipment range, we have recently added long sought-after GLENDON Catch Trays made of extremely durable and low temperature resistant polypropylene food-grade plastic.

Glendon Makelines (All Types) - £50.00* each + P&P

SPECIFICATIONS:

New and improved design
Made of really thick 6mm food-grade Pineal ABS
BPA Free
Super easy to clean
Matt textured finish
Reversible tray with pull handles along each longer end
Sleek finish when installed
