

PIZZA HEAT RACK

Powerful, efficient heating system.

- 250W per ceramic heating element (4-5 elements on each level, see chart.)
- Easy to operate.
- Each shelf equipped with grill preventing pizza from “sweating”.
- Independent control for each level.

- Heavy-duty construction with all elements manufactured from 304-grade brushed stainless steel.
- Second shelf from bottom is height adjustable and removable.
- Easy to clean.
- Electrics are ceiling fed.
